## Conexiones Abocinadas SAE 45° de Latón

### Conector Hembra

**Características:**

- Referencia SAE 010103.

| Medida de Tubo | Medida de Tubería | Rosca Recta | Hex    | Latón # de Parte |
|----------------|-------------------|-------------|--------|------------------|
| 1/4"           | 1/4"              | 7/16"-20    | 11/16" | 46F-4-4          |
| 3/8"           | 1/4"              | 5/8"-18     | 11/16" | 46F-6-4          |
|                | 3/8"              | 5/8"-18     | 13/16" | 46F-6-6          |
|                | 1/2"              | 5/8"-18     | 1"     | 46F-6-8          |
| 1/2"           | 1/4"              | 3/4"-16     | 3/4"   | 46F-8-4          |
|                | 3/8"              | 3/4"-16     | 13/16" | 46F-8-6          |
| 5/8"           | 3/8"              | 7/8"-14     | 7/8"   | 46F-10-6         |

### Unión

**Características:**

- Referencia SAE 010101.

| Medida de Tubo | Rosca Recta | Hex   | Latón # de Parte |
|----------------|-------------|-------|------------------|
| 1/4"           | 7/16"-20    | 7/16" | 42F-4            |
| 3/8"           | 5/8"-18     | 5/8"  | 42F-6            |
| 1/2"           | 3/4"-16     | 3/4"  | 42F-8            |

### Codo Macho

**Características:**

- Referencia SAE010202.

| Medida de Tubo | Medida de Tubería | Rosca Recta | Latón # de Parte |
|----------------|-------------------|-------------|------------------|
| 1/4"           | 1/8"              | 7/16"-20    | 149F-4-2         |
|                | 1/4"              | 7/16"-20    | 149F-4-4         |
|                | 3/8"              | 7/16"-20    | 149F-4-6         |
| 3/8"           | 1/4"              | 5/8"-18     | 149F-6-4         |
|                | 3/8"              | 5/8"-18     | 149F-6-6         |
|                | 1/2"              | 5/8"-18     | 149F-6-8         |
| 1/2"           | 1/4"              | 3/4"-16     | 149F-8-4         |
|                | 3/8"              | 3/4"-16     | 149F-8-6         |
|                | 1/2"              | 3/4"-16     | 149F-8-8         |
| 5/8"           | 1/2"              | 7/8"-14     | 149F-10-8        |
| 3/4"           | 3/4"              | 1-1/16"-14  | 149F-12-12       |

### Codo Hembra

**Características:**

- Referencia SAE 010203.

| Medida de Tubo | Medida de Tubería | Rosca Recta | Latón # de Parte |
|----------------|-------------------|-------------|------------------|
| 1/4"           | 1/4"              | 7/16"-20    | 150F-4-4         |
| 3/8"           | 3/8"              | 5/8"-18     | 150F-6-6         |
| 3/8"           | 1/2"              | 5/8"-18     | 150F-6-8         |

### Codo 90° Giratorio

| Medida de Tubo | Rosca Recta | Latón # de Parte |
|----------------|-------------|------------------|
| 1/4"           | 7/16"-20    | 166FSV-4-4       |
| 3/8"           | 5/8"-18     | 166FSV-6-6       |
| 1/2"           | 3/4"-16     | 166FSV-8-8       |
