- NOTA: Niples largos y cortos en acero al carbón y acero inoxidable, disponibles en página 1058

H

- Acero al carbón, acero galvanizado y espigas de acero inoxidable están disponibles en la página 1057.

¹ Latón libre de plomo <=0.25% plomo; aleación CA2745; aleación C46400.

² Cumple con: Safe Water Drinking Act (SWDA) establecida el 4 de Enero del 2014; California AB1953; cumple con normas RoHS.
